

gives BACK

We are dedicated to rewarding our Brand Partners' success, which is why we created the Nerium Gives Back program! This program has the potential to resupply your product inventory for the Product Prospecting System, so you don't ever have to worry about running out of product. Here are the ways that Nerium is giving back:

1. You will receive a *free bottle* of NeriumAD® night cream for each new personally sponsored Brand Partner who you enroll with an Auto-Delivery Order. Your bottle will ship within 14 days after their first Auto-Delivery Order ships.
2. You will receive a *free bottle* of NeriumAD night cream for each new personally sponsored Preferred Customer who you enroll with an Auto-Delivery Order. Your bottle will ship within 14 days after their second Auto-Delivery Order ships.
3. You will receive a *free bottle* of NeriumAD night cream for each new personally sponsored Preferred Customer who enrolls another Preferred Customer with an Auto-Delivery Order. Your bottle will ship within 14 days after their second Auto-Delivery Order ships.

Nerium Gives Back can help you build a strong, ongoing business! See below for the initial participation requirements.
